

The new pool is located just west of the old pool on Sequoia Ave., north of the golf course ¼ mile.
 Enter on the dirt road (rough) NW of the pool and park in the dirt area north of the pool.

You can also go farther east on Tulare Rd. , turn left onto Elmwood/Parkside, go one block north, turn left through the park, past the golf clubhouse, through the chain-link gate to the south parking area.

Visiting teams should set up on the south side and southeast corner of the deck area. Spectators should sit well back from the pool, and parents should stay out of area where swimmers are lined up to swim unless they are helping line up kids.

The small pool and shallow play pool are off limits during the meet and warm-ups.
